

At Trotters we aim to offer our customers the highest quality home grown and local produce. Here are some more details about what we offer.

Free Range Pork

All pork is home reared and 100% free range. We use a (Landrace x Duroc) x Hampshire

pig. This gives a traditional tasting pork, with just the right amount of fat and marbling within the meat, giving a succulent, flavoursome joint. Unlike the majority of pork, our pork is all Antibiotic Free, ask in store for more details.

Christmas Poultry

We are able to offer a wide selection of poultry for your festivities. Free range or barn reared turkeys, chickens, geese, and ducks. We also have

turkey butterfly (boneless turkey breast) Should you require something different, please ask, we are sure to be able to help. We can prepare your poultry to your needs, e.g. boning out, stuffing or preparing a bird in a bird for you. Multi-bird roasts to suit all sizes of families, small, medium or big enough for a banquet!

Award Winning Sausages & Bacon

We have a huge selection of sausage flavors. All made with our own free range pork and mixed with the finest ingredients.

Home Cured Gammons

We have gammon joints to suit all, large or small. Perfect boiled or roasted, hot or cold. Serve with one of our many pickles.

We also have a selection of local ales, spirits, vegetables, breads, oils, sauces, pickles, gifts, chocolates, stuffing mixes, goose fat, logs, coal & Kindling.

Locally Reared Beef

All the beef is sourced from local farms & markets. We only choose the best quality Yorkshire beef. All carcasses are hung to mature. Steaks are hung for 28 days for that extra flavor and tenderness. So whether its a prime steak, a roasting joint or simply some mince, you won't be disappointed.

Pork Pies, Cheeses, & Home Baking

It wouldn't be Christmas without these items! We have a selection of pork pie sizes, from individual to 4lb pies. (don't forget the chutney to go with it!) Why not try one of our specialty pork pies, Pork Apple & Stuffing, Pork and black pudding or our fiery pigs revenge! The cheese selection consists of the best locally produced cheeses, select your own mix, or go for a platter tray.

We have baked the all important brandy laced Christmas cakes in store using quality ingredients.

Home Cooked Meats

Let us do the cooking, choose from our selection of cooked meats, we have our own hams, beef and pressed ox tongue. Great for a buffet or as a joint to carve over the Christmas period.

Hampers

Christmas hampers can come ready made or you can choose a personal selection of our products and have them made up into a basket. Ask us for more details.

Locally grown Nordman Fir Christmas trees will be available from 28th Nov
